

Role Overview:

We are seeking a detail-oriented and motivated **Operations Intern** for a 6-month internship. This role offers hands-on experience in managing operational tasks, product listings, research, and social media-related activities. The ideal candidate will be analytical, hardworking, and eager to learn.

Key Responsibilities:

- **Product Listing & Management:** Ensure accurate and detailed product listings across various platforms.
- **Data Handling & Excel Management:** Organize, analyze, and report data using Excel.
- **Research & Analysis:** Conduct market research to gather insights on competitors, trends, and product performance.
- **Operational Support:** Assist with day-to-day operational tasks to ensure smooth workflows.
- **Social Media Assistance:** Support basic social media tasks like content research and trend identification.

Key Skills & Qualifications:

- Proficiency in MS Excel (basic formulas, data sorting, and analysis).
- Strong research skills and ability to analyze information effectively.
- High attention to detail and organizational skills.
- Self-motivated, proactive, and able to handle multiple tasks efficiently.
- Basic understanding of social media platforms (Instagram, Facebook, LinkedIn).
- Ability to meet deadlines in a fast-paced environment.
